1st Semester Exam Information

January 19 – 22, 2009

Dear Parents and High School Students,

Please be advised of the following important semester exam information.

1. Semester exams will be administered beginning Tuesday, January 19 through Friday, January 22. (see reverse side for exam schedule)
2. Semester exams are given for high school courses only (grades 9-12). An exception to this is 8th graders taking Algebra I.
3. Again this year WCA will be utilizing an open campus concept during exam week. This means that 9-12th grade students are only required to attend school for their class exam times. If a 9-12th grade student does not have any class exams at that time they do not need to be on campus. Students are allowed to leave as soon as their exam period for that day is over. Students who are on campus but not taking an exam will be required to attend a supervised study hall.
4. Students who finish early **MUST** stay in exams/study halls until the bell rings unless the office calls for their early dismissal.
5. Most courses will be giving semester exams, i.e. math, science, history, English, Bible, etc. A few courses (P.E., choir, yearbook, etc.) do not lend themselves to semester exams as well as other courses but students may be given semester exams in them if the teacher desires.
6. The semester exams account for 10% of the student's grade for the semester.
7. Students who need to make up exams due to an excused absence will do so on Friday, January 22nd beginning at 12:41 pm in their teacher's classroom.
8. Students are to follow school uniform guidelines for dress while they are on campus during exams.
9. Students should use their time wisely in preparation for the exams.
- 10. Parents, it is important that you and your student clearly communicate with each other regarding when they will be coming to and from school so you know of their whereabouts when they are off campus.**
