

Tuition & Fee Schedule 2010-2011

Tuition and fees tend to be one of the first pieces of information a family wants to know when considering a private Christian school. Westlake Christian Academy understands the significant financial impact tuition and fees have on a family. Westlake has taken two steps to address this impact.

- 1) The tuition listed below is already discounted from the full cost of a student's education at Westlake. This means that Westlake is automatically providing every family a tuition discount. As of this date this discount amounts to approximately \$3,000 per student. In other words, if Westlake were to charge the full cost of a student's education each of the tuition rates below would need to be increased by about \$3,000.
- 2) Westlake Christian Academy has a tuition assistance program. This program is based on a family's financial need. Once a child has been accepted as a student at Westlake, the parents may choose to complete a tuition assistance application through an independent third party; FACTS Tuition Management. FACTS analyzes a family's financial situation and provides Westlake with a recommendation. Westlake then uses this recommendation when making a final decision on the percentage of tuition assistance a family may receive.

Before automatically dismissing Westlake as a place for your child's spiritual and academic education we ask that you pray about this matter and arrange an appointment to discuss Westlake with us. Christian education is one of the greatest investments that can be made.

2010-2011 Tuition & Fees Schedule Clarifications

1. **Payment Plans** – WCA offers a choice of payment plans. Families may pay annually, semi-annually or monthly. Families enrolling in August or later will have monthly tuition payments calculated based on remaining months through May of the school year.
2. **Payment Status** – A minimum of one month of tuition is due prior to the child(ren) starting school.
3. **Electronic Withdrawal** – WCA utilizes FACTS Management Company for families electing to pay their tuition on a monthly basis throughout the school year. The FACTS form must be completed and submitted with each family's enrollment information. FACTS Management Company will assess a late fee of \$25 if tuition is not received by due date (see FACTS form to choose due date).
4. **Before and After School Care** is available. Additional information is available in the school office.
5. **Extracurricular Fees**
 - a. **Band** - WCA students: \$385 per year / \$43 per month (Sept. – May) for the first band student in the family.
\$337 per year / \$37 per month for every student thereafter.

Homeschool students: \$570 per year / \$63 per month (Sept. – May) for the first band student in the family.
\$524 per year / \$58 per month for every student thereafter.
 - b. **Sports** – Fees for WCA sports programs offset only a fraction of the overall cost of the Athletic program. These fees are used along with donor gifts to fund our program. Since our program has different levels of involvement and expenses, our fees are structured accordingly.

Varsity Soccer	\$120
Varsity Volleyball	\$120
Jr. High Volleyball	\$ 90
Boys Basketball	\$170
Girls Basketball	\$170
Jr. High Boys Basketball	\$140
Jr. High Girls Basketball	\$120
5 th -6 th Grade Basketball	\$ 90
Varsity Baseball	\$140
Varsity Softball	\$140
