2011-2012 Tuition & Fees Schedule Clarifications

1. **Payment Plans** – WCA offers a choice of payment plans. Families may pay annually, semi-annually or monthly. Families enrolling in August or later will have monthly tuition payments calculated based on remaining months through May of the school year.
2. **Payment Status** – A minimum of one month of tuition is due prior to the child(ren) starting school.
3. **Electronic Payment Withdrawal** – WCA utilizes FACTS Management Company for families electing to pay their tuition on a monthly basis throughout the school year. The FACTS form must be completed and submitted with each family's enrollment information. FACTS Management Company will assess a late fee of \$25 if tuition is not received by due date (see FACTS form to choose due date).
4. **Before and After School Care** is available. Additional information is available in the school office.
5. **Extracurricular Fees**

a. **Band** - WCA students: \$410 per year / \$46 per month (Sept. – May)
for the first band student in the family.
\$355 per year / \$40 per month for every student thereafter.

Homeschool students: \$600 per year / \$67 per month (Sept. – May)
for the first band student in the family.
\$550 per year / \$61 per month for every student thereafter.

- b. **Sports** – Fees for WCA sports programs offset only a fraction of the overall cost of the Athletic program. These fees are used along with donor gifts to fund our program. Since our program has different levels of involvement and expenses, our fees are structured accordingly.
