High School Exams

Second semester exams for 9th – 12th graders will be administered beginning Tuesday, June 1st through Friday, June 4th. Eighth graders taking Algebra 1 will also take an exam.

WCA will be utilizing an open campus concept. This means that 9-12th grade students are only required to attend school during their scheduled exam times. If a 9-12th grade student does not have any scheduled exams that day, they do not need to be on campus. Students are allowed to leave as soon as their exam period is over for that day. Exam schedules were emailed to high school parents this week. Schedules are also available on the WCA website and printed copies are posted outside the school Office.

Please note the accompanied attachment for full details.

Sports and Fine Arts Summer Camps

It's not too late to sign up! Enrich your child's abilities by enrolling them in a sport or fine arts camp this summer. Registration and information are available in the Office.
