

Everyday Blessings

WCA's Parents Association is excited to announce "Everyday Blessings," where every parent can make a difference, every day. Our small offerings multiply to tremendous blessings when everyone helps.

Everyone won't be able to do all these things, but everyone can do some of them! Some of them generate income, and others turn into free teaching resources, athletic equipment, and art and office supplies.

Westlake wants every parent to develop a passion for helping in big and small ways, so that serving our school becomes a natural lifestyle for every family. Will you please help us? Will you please ask your friends, family, and neighbors to help too?

Thank you for all the ways you support our school and bless our students, teachers and staff!
