

November 2008

Dear Parents,

WCA places safety as a top priority and that includes traveling to and from school during times of inclement weather. On days when the school is open but travel conditions in your area are still treacherous, please understand that it is important for you to keep your children at home until travel conditions improve. If conditions improve later in the morning, you may bring them for the remainder of the school day. Determining the safety of road conditions in your area is a parental decision.

Of course we want as many children as possible to be in attendance but not at the risk of their safety. Please weigh carefully whether or not to attempt to come to school. Students who are absent due to inclement weather will be excused and permitted make up their schoolwork.

If school is open but you choose to keep your children at home,
please leave a message on the attendance line: 847-548-6209 ext. 51.

With Eternity in Mind,

A handwritten signature in black ink that reads "Jeffrey D. Wilcox".
